ASPARAGUS

One of my favorite vegetables, the most paying in the world, can be shipped one thousand miles fresh. Have seen three thousand acres growing in Germany, with canning establishments taking in whole blocks of buildings. I have imported all the best and new varieties of plants and seeds, not known here yet. Among them:

TERMS AND CONDITIONS.

TERMS CASH.—If to be shipped collected on delivery, one-fourth the amount to be remitted with the order, or satisfactory reference to be given by unknown correspondents. When shipped in this way return charges on the money will always be added to the bill. **ALL EXCHANGE, FREIGHT AND EXPRESS CHARGES MUST BE PAID BY PURCHASER.** Note at bank for 30 to 60 days will be accepted from dealers who furnish us satisfactory bank references.

Prices named rule only when the number specified is taken; 5 at 10 rates; 50 at 100 rates; 500 at 1,000 rates.

SHIPPING—We usually commence shipping in the fall about October 1st; in the spring, March 5th. We prefer parties ordering should indicate the route by which they wish the stock sent. In absence of particular directions, we forward to our best judgment; but in no case do we assume any responsibility after consignment to purchaser, unless for our own mistakes. When losses occur by detention on route, claims should be made on the carriers immediately.

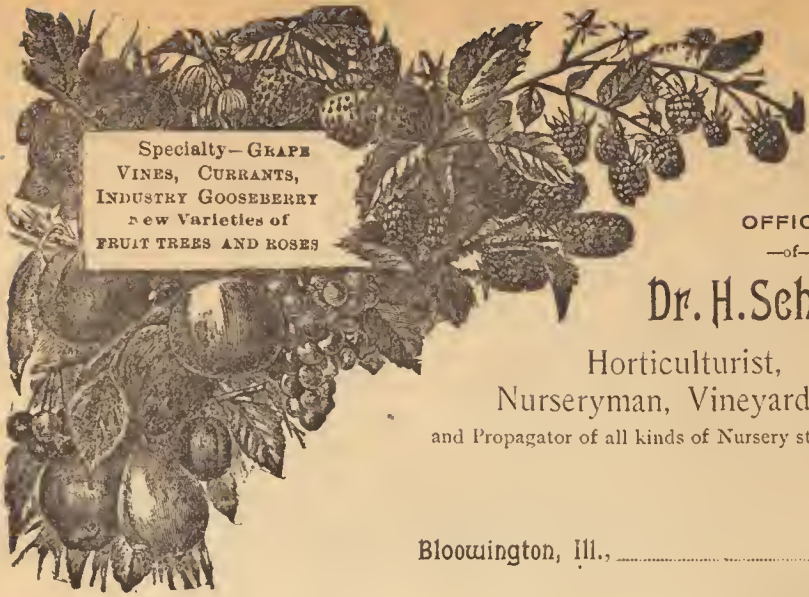

We sell stock and warrant it true to name and of quality represented, with the express understanding and agreement that should any not prove true to name, we will refund the money paid for them to replace the stock with others of true quality, but are not liable for damages other than herein named.

All claims for allowance must be made within ten days after receipt of goods; interest charged on all bills overdue.

We reserve the right to substitute others of equal price and quality, if we are out of varieties ordered; except if substitution is forbidden in order sent us.
